Reference Case 22CV79, Code 30703 SHAWANO COUNTY and
US Federal Court 7th DISTRICT DOCKET 22CV3755 and
mail fraud sent to FBI office Milwaukee 14 JUN 22

Petition to remedy: Article I, Section 9 Wisconsin
Constitution "Every person is entitled to a certain
remedy in the laws, for all injuries or
wrongs which he may receive in his person,
property, or character."

In December 2018, I was offered a
one page financial sheet from Jodi Jansen
of Bank First to refinance my current
balance of approximately \$867,000.

Act 161 (AB-368) and Wisconsin Constitution Section 11:
The right of the people to be secure in their persons,
houses, papers and effects against unreasonable
searches and seizures shall not be violated, and
no warrant shall issue but upon probable cause,
supported by oath or affirmation, and particularly
describing the place to be searched and the person
or things to be searched. Act 161 creates the
crime of money laundering. Under this act, it is
a crime to engage in, supervise, or facilitate
a transaction with illegally-obtained property
or items of value; to make property or items

of value; to make property or items of value available to another with the intent to perpetuate illegal activity; or to engage in a transaction that is designed to conceal or disguise the nature, location, source, ownership, or control of the property or items of value or to avoid a financial transaction reporting requirement under federal law

Annie's Campground is not a corporation such as BANK FIRST, BANCORP, STATE OF WISCONSIN, SHAWANO COUNTY, USA, INC and has no federal reporting requirements as a Private Membership Association. The 16th Amendment to the Constitution was never ratified and is NOT a lawful requirement. As of 2019 USA/STATE OF WISCONSIN/SHAWANO COUNTY INC WERE ALL BANKRUPTED and are defunct. SHAWANO COUNTY INCORPORATED IN 2013 AND THUS, ceased to operate as a government. All corporations must follow the same rules and laws set forth in United States Code and the ICC. My business is NOT a corporation and can not lawfully be engaged in a contract. A contract must be of free and genuine consent, with full and honest disclosure, must have a valuable consideration, there must be a certainty of terms, there

must be a meeting of the minds, there must be autographs or signatures, and there must be a Privity of Contract.

I was lied to, there was no full disclosure or informed consent, through deceitful practices, I was presented Tacit agreements, and my trust was fraudulently converted into stocks and bonds, by instruments unknown and sold on the stock market without my knowledge or consent.

When I discovered this fraud, this constructive fraud, I realized the usurpation of our government was complete; that my Great Nation, my state, had been completely infiltrated by the [E]lected officials at all levels, banking industry, law enforcement, judicial system, British Accreditation Registration Association, the Medical Association, Maximos Incorporated government "management" system, the IRS, Central Banking System, Dominion Voting Systems and more ... all intent to fully enslave all of us and rob us of our health, wealth, freedoms, children, lives, happiness, property, livelihoods. Enough is enough.

Annie's Campground is my home since July 30, 2010. My children, my property, grew up there and have full access: Ian, Rhanna, and Giovanni Retzlaff-Rigby. My father, George H. Retzlaff, has lived on the same property part-time to full-year since July 30, 2010 and has much of the tools, equipment and sweat equity. Richard Retrich has lived there and also has full access to all buildings and belongings. Stealing my property, my livelihood is white-collar crime and constructive fraud.

All contracts done without full-disclosure and "meeting of the minds" are null and void. Defacto court was held without the clerk of court, calling me out of my false imprisonment to make my special appearance and then recorded that Annie's Campground was not there! The Clerk of Court / SHAWANO COUNTY controls all my movements and KNOWS where I am.

It is constructive fraud to use my Cestui Que Vie (PCT) trust and other monies for your money-laundering and theft.
